## ☯ Three-Step Sparring ☯

### Red Belts – 2nd Grade

Note: All three-steps begin stepping backward into a back stance, with the right foot first, blocking with the left hand, unless otherwise noted.

16. After third block, step back into a right back stance and execute a right middle-section front punch as you move into a left front stance, then step back with the left foot into a left back stance and execute a left spin side kick.
17. After third block, move left foot 45 degrees to the left side while executing left hand palm-block and throw three punches (two mid-section, one high-section starting with the right hand). Execute a right foot round house kick to the mid-section (come back to back stance)
18. After third block, step to the right with the right foot and bring left foot together (while facing partner). Execute a right foot front foot front kick then step out into a horse riding stance (keep you stance parallel with you partner). Execute three punches (two mid-section, one high-section). Step back with the right foot into a fighting stance and execute a left foot jump front kick to the face.
19. After third block, step back with the left foot into a back stance, execute a left front kick to the opponents' wrist then execute a right foot side kick to the middle section, then step back with the right foot, (turn counter-clockwise) into a right back stance and execute a right spin side kick to the mid-section.
20. After the third block, execute a right side kick to the mid-section. Bring the right foot down to the outside of your partner's front foot and execute a right mid-section knife hand strike to the back. Without moving your feet execute a right knife-hand strike to the neck. Execute a left spin-knife hand strike (spin counterclockwise) to the solar plexus. Step back with the right foot into a right back stance as you block opponent's hand with your left hand. Execute a right high section round kick.
21. After the third block, same as #20, but add a left punch and a right punch to the face before right round kick.
22. After the third block, move the right foot forward to form a right front stance while executing a right elbow strike to the mid-section, followed with a left spin-elbow to the mid-section. Move the right foot back (turning counter clockwise) forming a right back stance. Execute a right round kick to the high section.
23. After the third block, move the left foot, to form a left front stance and execute a right, middle-section punch, followed with a right, face section palm-heel strike. Move the left foot back, forming a left back stance and execute a left foot spin sidekick.
24. After the third block, move the left foot back forming a left back stance (fighting stance), execute a left foot crescent kick to block the opponent's hand (from inside to outside). Execute a right high section round kick. Move the right foot back, forming a right back stance, and execute a right high section spin heel kick.

## ☯One-Step Sparring☯
